

BEFORE YOU GET STARTED...

We're confident you'll love your gorgeous new Next furniture. However, it's worth making absolutely certain before you put it all together.

So, let's quickly run through these three steps:

1. COLOUR

Make sure you're happy with the colour
No need to unpack everything, just check the first component.

2. PROTECTIVE PACKAGING

If you're happy, then it's time to get opening! Start by laying everything out on the protective packaging – this will prevent anything getting scratched.

3. PARTS PAGE

Finally, double check you have all the pieces by referencing the parts page of the instructions.

TIPS FOR RETURNS

Not completely happy with the product? No problem.
We just need everything back in the original packaging, so follow the steps below and this will ensure a super-smooth returns process and no delay to your refund.

DO

- Check everything is there (the 'parts page' is a handy checklist).
- Pop all the loose fittings and fixtures into the packaging provided or tie them up in a plastic bag.
- Wrap all the big components back up in the original protective packaging.
- Close up the box and seal it securely (don't be afraid to use plenty of tape).

DON'T

- Leave anything assembled - all components should be dismantled and separately packed.
- Put loose fixtures and fittings straight into the box.
- Throw it back in the box carelessly – as it may get damaged.

Warnings

We suggest you retain these instructions for future reference.

Keep fittings out of children's reach and keep children well away from construction area.

This product should only be used on firm, level ground.

Please periodically check all fittings and re-tighten as necessary.

Please do not stand or lean back on your furniture.

Avoid exposing the furniture to excessive heat or direct sunlight as this can cause cracking of the wood and deterioration of the colour.

Keep away from strong heat sources.

Do not use this item if components are missing or broken.

Do's

We suggest you spend a short time reading through this leaflet before you start .

When you are ready to start, make sure that you have the right tools and plenty of space .

Unwrap all packaging materials and place the components on a clean surface to protect it from damage.
We recommend that the packaging is used to protect the surfaces during assembly.

Carefully check that you have all the parts before beginning assembly.

Ensure the product is fully assembled as illustrated and all fixings fully tightened before use.

Check fixings regularly to ensure they remain tight and legs / feet are secure.

Always ensure that floor protectors are used on the legs according to your flooring type.

To clean your items, please lightly wipe with a slightly dampened cloth.

For leather items dust regularly with a soft cloth, preferably once a week, to keep the leather pores free from dust particles.

For velvet items use a soft brush lightly dress the fabric. Lightly wipe with a slightly dampened cloth to clean.

For velvet items avoid scratching the fabric as the pile may not recover and permanently mark it.

Don'ts

Apply Adhesive substrates for example, sticky tape to the product .

Do not use silicone based furniture polish. Silicone in furniture polishes can break down the lacquer finish.

Never allow any kind of liquid to remain on your furniture. Absorption can cause finishes to de-laminate and or stain.

Please do not stand or lean back on your furniture.
