READ CAREFULLY

SAFETY INFORMATION

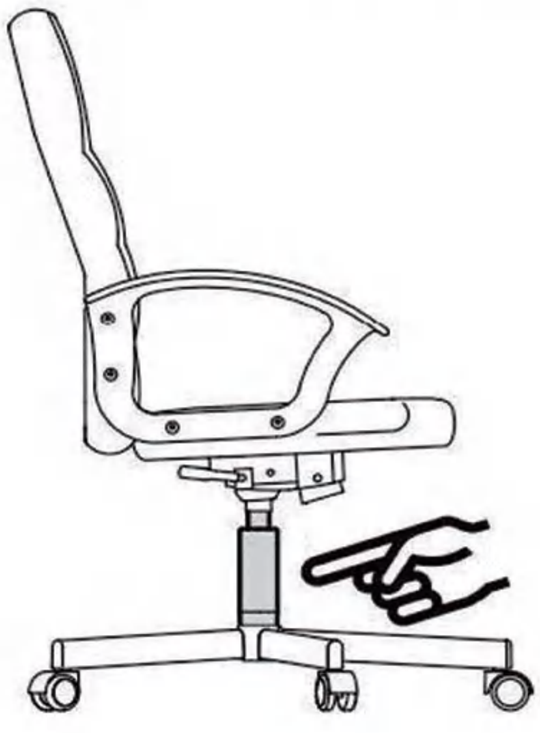

- The intended use:This product is intended for indoor use only. Used for work and study.

- To prevent the chair falling, make sure that the weight is evenly distributed.
- Remove all parts from the box and make sure all parts are included before assembly.
- Keep your feet always on the floor and do not press your head on the headrest when you recline the chair.
- When you adjust the backrest, make sure your fingers are safe and out of harm's way.
- To avoid damage, never pull fast and strongly in your house.
- This chair is designed to sit only and nothing else.
- Don’t use it as a base or as a ladder.
- Don’t sit in the arms of the chair.
- This chair is designed to seat only one person at same time.
- If some parts are missing, damaged or worn, stop using it immediately.
- Avoid direct sunlight on the chair so that the plastic components won’t become brittle.
- Your chair is equipped with rollers for textile floor coverings. If the chair is used on hard floors, e.g. hardwood floors, laminate, PVC , or tile, the rollers should be replaced for safety purposes, since these floors require the use of different rollers.

Warning! Only trained personnel may replace or repair components for height adjustment of seating furniture with energy storage.
