

ASSEMBLY INSTRUCTIONS

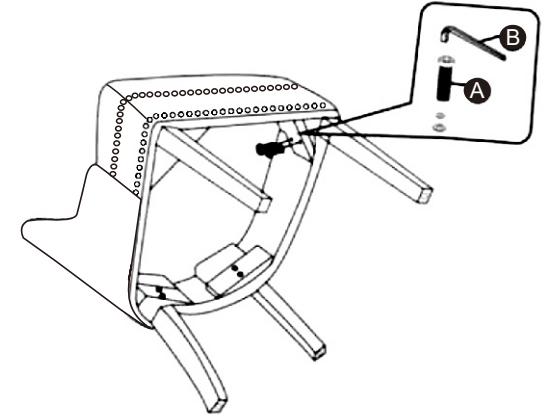

Unzip the black dust cover and take out the leg and hardware

1

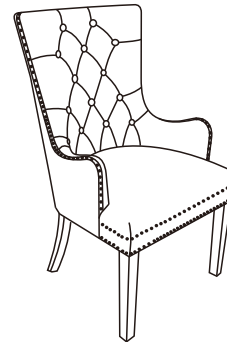

Attach item code A . Making sure to use both washers on each bolt, add the small washer to the bolt firstly then the large washer. Tighten the bolts, initially finger tight.

2

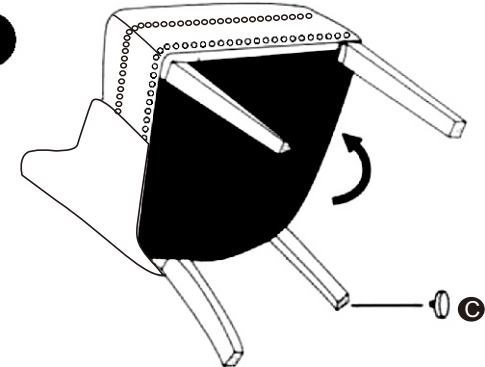

Repeat step 1 above

3

Adjust the balance of the chair and tighten each bolt firmly using the Allen key provided to 100%

4

close the zip flap.
Screw the adjusters provided to bottom of each leg.
If required adjust by turning the adjuster to suit your flooring

HARDWARE LIST	ITEM CODE	PARTS	QTY
	A	M8x60MM 	8
	B	ALLEN KEY 	1
	C	LEG ADJUSTER 	4

Avoid using power tools to assemble as they can cause damage due to over tightening.

Use of power tool will invalidate your claim
