CHAISE

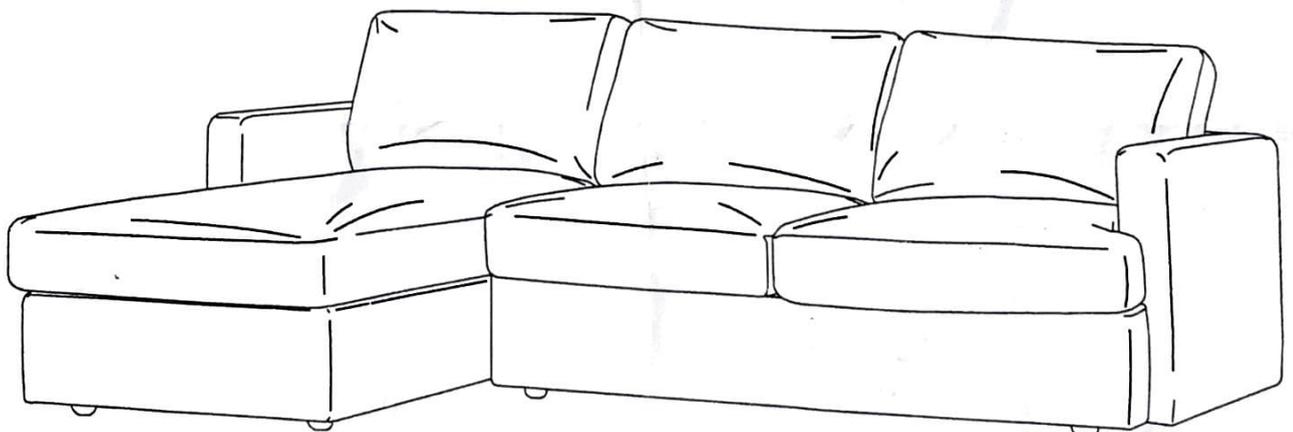

SOFA

### STEP 1 :

There is zip at the bottom of the sofa, love seat and chair with sign "LEGS INSIDE". Open the zip and take out the legs.

### STEP 2 :

Take one of plastic leg (A) as shows in the diagram. Tighten the leg by turning it clockwise until its tight enough. Repeat the same method until all the leg been assembled.

## The job is now complete!

Please dispose of packaging thoughtfully
